Background

The City Commission requested the Planning and Parking Department complete further research with reference to limitations to the maximum number of vertical parking lifts. After completing research from various sources and input from various parties, the Department recommended the limitations as provided within Staff Recommendation.

The Parking Director discussed the above provisions with the Parking Advisory Board. The Board endorsed the provisions as written.

The Parking Director will be present at the meeting to present the staff recommended language and secure input and testimony.

Public Hearing Timeline

This Zoning Code amendment is under the purview of the Planning and Zoning Board and City Commission since it requires public hearing review. Upon recommendations from the Planning and Zoning Board, the proposed text amendments will proceed forward for public hearing before the City Commission as follows:

City Commission, 1st Reading –August 26, 2008, 9:00 a.m.

City Commission, 2nd Reading –September 9, 2008, 9:00 a.m.
