	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
1.	07 08 10	Monica and Richard Lavina 13020 San Mateo St Coral Gables, Fl 33156	X		Stress on traffic in surrounding neighborhood! Close gate on Campamento! Gulliver should have it's own entrance & exit! The traffic is out of control on Old Cutler!
2.	07 08 10	Ofelia Perez Scott, Nancy C. Perez, Ines Perez Bleakly 1440 Campamento Ave Coral Gables Fl, 33156	X		<p>City of Coral Gables            Planning Department            405 Biltmore Way            Coral Gables, Fl. 33134</p> <p>July 5, 2010</p> <p>Subject: Public Hearing Application #09-09-092-P, on 07/14/2010</p> <p>Dear Madam/Sir:</p> <p>We are writing to object to this application for the following reasons:</p> <ol style="list-style-type: none"> <li>1. Too much truck traffic in Campamento Ave. already as is: trucks begin arriving on Campamento Ave. at entrance to Gulliver as early as 5:00am.</li> <li>2. Too much noise already as is; lawn mower, leaf blower and motorized pavement cleaner begin in the school as early as 6:00am. on Campamento Ave. side.</li> <li>3. Lights shining throughout the night directly on neighbors' houses on Campamento Ave.</li> <li>4. Parents blocking the street when dropping off and picking up students on Campamento Ave.</li> <li>5. Parents when dropping off and picking up students drive through neighbors' driveways and yards.</li> <li>6. Parents drop off and pick up students in the middle of the street on Campamento Ave.</li> <li>7. Unauthorized use of teacher parking lot on Campamento Ave. by parents, high school students and others</li> <li>8. Too much traffic on Old Cutler Rd during arrival and dismissal hours at Gulliver.</li> <li>9. We don't want nighttime or weekend activities which would bring added noise and traffic.</li> <li>10. Don't want added students to be enrolled in the school.</li> <li>11. Want to maintain the neighborhood character.</li> <li>12. Don't want our property values to go down because of the noise, heavy machinery traffic and construction.</li> <li>13. Do not want a massive school campus in our neighborhood that would resemble a university campus.</li> <li>14. Maintain our quality of life.</li> </ol> <p>Sincerely,              Ofelia Perez Scott,            Nancy C. Perez            Ines Perez Bleakly            1440 Campamento Ave.            Coral Gables, Fl. 33156</p>
3.	07 07 10	Don and Carla Zelhof 1012 Lugo Ave Coral Gables, Fl 33156	X		Increased traffic, noise, disturb quiet neighborhood, Entry to Gulliver thru Gables by the Sea should be closed permanently.
4.	07 06 10	Neil J Berman and Jill N Berman 5760 SW 130 <sup>th</sup> Terrace Pinecrest, Fl 33156	X		Additional traffic congestion on already choked roads.
5.	07 06 10	Frank and Lisa Mackle 1200 Cartegena Ave Coral Gables Fl 33156	X		Traffic during construction, noise, lights, it will decrease our property value and lessen our enjoyment of our lifestyle.
6.	07 06 10	Rosa Quesada 1301 Lugo Ave Coral Gables, Fl 33156	X		Noise, traffic, construction truck + workers in neighborhood – too many activities once complex is completed!!

**City of Coral Gables - Planning Department**  
**Letters Received from Property Owners**  
**Gulliver Academy Expansion**

	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
7.	07 05 10	Eric and Gayle Jacobs 13594 SW 58 Ave Pinecrest Fl, 33156	X		The construction to the Gulliver property and the noise from the increased size of the facilitate is objectionable to the neighborhood.
8.	07 05 10	HJ & Katherine Newman 941 San Pedro Ave Coral Gables Fl, 33156	X		Traffic on Old Cutler!! Huge Eye Sore – Building is too big for area!
9.	07 05 10	Gloria Romas 935 Bella Vista Ave Coral Gables, Fl 33156	X		1) Way for more expansion & traffic, 2) Too commercial of a structure for area 3) Use of our gates for construction...etc. Very Disruptive!
10.	07 05 10	Lee Karlinski + Mara Karlinsky 5750 SW 132 <sup>nd</sup> Terrace Coral Gables, Fl 33156	X		1. Increased construction vehicles within Gables By The Sea/Pinecrest by the Sea community + on Old Cutler for extended period of time. 2. 2. More long term traffic on Old Cutler.
11.	07 05 10	Jose & Kathleen Fernandez 820 San Pedro Ave Coral Gables Fl 33156	X		This will degrade our neighborhood's quality of life. This project is a hugely disproportionate increase in size and scope to the existing facility. It will increase traffic to unacceptable levels for daytime and nighttime events. All construction traffic enters through our residential area will service and Gulliver employees after construction.
12.	07 05 10	Brian & Dawn Sepe 13073 Zamrana St Coral Gables Fl, 33156	X		-Increased traffic on Old Cutler Rd. (already overloaded due to Gulliver) -construction vehivles using Gables by the Sea entrance – public disruption from potential sport events, night lighting, parking etc in our RESIDENTIAL NEIGHBORHOOD
13.	07 05 10	Alan + Cheryl Kristal 13275 SW 58 Ct Coral Gables, Fl 33156	X		Noise – Traffic – Congestion - Ruens the neighborhood + Old Cutler Rd
14.	07 05 10	Nancy Sambria 944 San Pedro Ave Coral Gables Fl, 33156	X		Proposed amendments are not in scale and character with the neighborhood and will bring increased traffic burden to any already congested condition. The commercial traffic from Gullivers vendor vehicles and students living outside the allowed area are and have been a burden & safely issue to our neighborhood. An increase of construction vehicles using our gate, security personnel and roads would be intolerable and abusive. The added facility proposed by Gulliver is certain to bring increased attendance and therefore more traffic to the area of Old Cutler Road. Please keep our "City Beautiful" and so no to the proposed amendments on the table. Thank you.
15.	07 05 10	Glen R. Goldsmith / Cindy Goldsmith 12480 Virtudes Street Coral Gables, Fl 33156	X		Noise and increased traffic through GBS entrance will affect our access and quality of life. This addition is far beyond reasonable for a private school.
16.	07 05 10	Nicola Rousseau 1521 Agua Avenue Coral Gables Fl, 33156	X		Excessive traffic flow that will be added to expansion.

	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
17.	07 05 10	Joann Picanes and Rogert Delenn 1061 San Pedro Avenue Coral Gables, Fl 33156	X		<p>1) Concern for the safety of our children and neighbors who walk or bike to &amp; from the park where massive construction trucks &amp; equipment must enter &amp; exit. 2) Disturbanc of our traffic flow both into + out of our community during peak hours.</p> <p><small>JUL-05-2010 16:19 From: REAL ESTATE WORKS 3056696845 To: 3054605327 P. 15/16</small></p> <p><i>We, JoAnn Picanes and Rogert DeLeon, do here by object for the following reasons ... Page 2</i> <span style="float: right;">p2 of 3</span></p> <p>3. Noise and pollution to those neighbors that are in close proximity to the construction site.</p> <p>4. Concern with the size of proposed building and lack of privacy to surrounding homes.</p> <p>5. We feel that the school is not being honest and does not fully disclose the intent of uses for the proposed construction. They are proposing to build more classrooms, a gymnasium and natatorium several floors high with more parking spaces and expand their sports field. yet this is an elementary school and they claim to have smaller sized classrooms as a perk and for small children with a limited number of allotted students per year; we do not understand the need for such massive expansion. We do believe that this gymnasium and new field will be used for the high school students and not the elementary students. If this is the case, the amount of traffic (which is already terrible now due to their poor system of drop-off and pick up area) will greatly worsen as high school students have cars, practice late, hold games at night and so on. This will no longer be a quiet, calm neighborhood and certainly, not a very safe area to walk thru or ride bicycle with children.</p> <p><i>We thank you greatly for your time and consideration in this matter</i></p>
18.	07 05 10	Manuel Rodriguez 5725 SW Terrace Pinecrest, Fl 33156	X		Construction Traffic and equipment will create major traffic jams and the constant noise is environmental hazard.
19.	07 05 10	June Teufel Dreyer 5990 SW 128 St Pinecrest, Fl 33156		X

20.	07 02 10	Richard M Arnold & Beverly P. Arnold 1180 San Pedro Ave Coral Gables, Fl 33156	X		<p>JUL-02-2010 04:46 PM RICHARD M ARNOLD D D S 305 666 3517 P.02</p> <p style="text-align: center;"><i>Attachment:</i></p> <p>We strongly object to Gulliver's application no. 09-09-092P because:</p> <ol style="list-style-type: none"> <li>1- It will increase the activity around Gables by the Sea; the noise level, the traffic (which at present, borders upon the intolerable), and the number of events which will take place with these new facilities. All of this is totally inconsistent with the neighborhood and does not cater to the grade school which has a limited enrollment and which does not have the events for which these facilities are intended. These facilities are designed for high school activities. The campus in Gables by the Sea is not a high school and it is questionable as to why the high school has any athletic events at this grade school campus.</li> <li>2- The buildings planned are incongruous in a residential neighborhood. None of the neighbors could get permits to construct anything that looks like this proposed addition, to say nothing of the present buildings. Gulliver was supposed to be a small grade school and in the 38 years that we have lived here it has grown, choking traffic and creating congestion and noise in an otherwise quiet neighborhood. When there are planned athletic events, even in the daylight hours, the noise of the announcements and commentary is audible on those streets a mile away from the fields.</li> <li>3- The school uses many of the city's services and pays no taxes</li> <li>4- The last time Gulliver came to the neighborhood with their requests to expand they hoodwinked us with assurances that that was their final master plan. Since they have not kept their word on those plans, there is no telling what they are ultimately planning for this non-profit property, but it does not benefit and is deleterious to the greatest majority of the residents.</li> </ol> <div style="text-align: right; margin-top: 20px;">         Beverly R. Arnold        1180 San Pedro Avenue        Coral Gables, FL 33156        July 01, 2010     </div> <div style="text-align: right; margin-top: 10px;">         Richard M. Arnold     </div>

41.	06 25 10	J. Carlos and Danielle Santeiro 12500 Ramiro St Coral Gables, Fl 33156	X		<div style="text-align: right; margin-bottom: 10px;">  </div> <p>Gulliver's Proposed Expansion and Changes to Master Plan  List of Objections Raised by Neighbors</p> <ol style="list-style-type: none"> <li>Proposed expansion and changes to the Master Plan represent a substantial change in size, scope, architecture and use to the Gulliver's Academy Master Plan which represented the "final build-out scenario" envisioned and agreed upon by representatives of Gulliver Schools, the City of Coral Gables and the Gables by the Sea Homeowners and approved by the City of Coral Gables Commission, September 23, 1998.</li> <li>Gulliver's proposed changes to the Master Plan include doubling of the pre-approved Master Plan size as well as a substantial increase of building height including -- an obtrusive structure equivalent to a four story high building which will become a out-of-scale intrusion of regional scope and character of the adjacent residential communities. Additionally, the proposed changes which include a Press and Recruiters Box are not in line with the facilities needed and used by K-8 middle school students -- the proposed changes are more in line with the needs and use of High School students and most definitely will lead to an increase in High School athletic activities on the grounds of Gulliver's Academy.</li> <li>It must be noted that Gables by the Sea Homeowners negotiated this agreement in good faith and under the understanding that the agreed upon and approved Master Plan represented the final "build-out scenario" for Gulliver Academy -- as stated on the ordinance -- and that only minor changes may be requested and approved in the future. Current Gables by the Sea residents that participated in the negotiations with Gulliver back in 1998 were appalled to learn that Gulliver is breaking the agreement and forcing the City and neighbors to spend valuable time and resources revisiting this issue.</li> <li>It must be noted that the grounds and facilities of Gulliver Academy is already being used by High School students for High school athletic activities -- Gulliver's high school football team seasons train at the academy and high school baseball games are played at the academy on a regular basis. It must be noted that these and other High School activities held at the Academy were left out of the list of activities submitted by Gulliver as part of their application.</li> </ol> <p>The proposed changes to the Master Plan and new facilities are in effect designed to convert Gulliver's Academy into a regional hub of activities for the entire Gulliver School System -- Gulliver has no room for expansion at the other four campuses -- for example, Gulliver Prep (high school) does not have an auditorium to hold High School events. The proposed expansion and changes to the Master Plan are being done at the expense of the quality of life and home values of the adjacent communities and in violation of the agreement made between the Gables by the Sea Homeowners, Gulliver Schools and the City of Coral Gables. Furthermore, this also represents a violation of the intent of the ordinance passed by the City of Coral Gables allowing Gulliver to operate only a grade school at the Academy site located at 12566 Red Road facility.</p> <ol style="list-style-type: none"> <li>Homeowners who purchased properties in the surrounding area did so because of the limitations imposed on Gulliver by the City of Coral Gables ordinance and approved Gulliver's Academy Master Plan. Approval of the now proposed changes to the Master Plan will substantially change the size, character and use of the</li> </ol> <p>tax revenues.</p> <ol style="list-style-type: none"> <li>Proposed expansion and changes to the Master Plan will create a need for additional services to be provided to Gulliver by the City of Coral Gables at an additional cost to tax paying residents. Gulliver is a user of infrastructure and services but not a contributor.</li> <li>Gulliver's service entrance on Cartagena represents a public safety hazard. The service entrance is right across from a public park where children play. The service entrance is on a narrow street with no sidewalks and no turning space. Every day, children share the street with cars and large trucks (as large as an 18 wheeler) -- Trucks have a very difficult time handling the turn and as a result block the street for long periods of time. It should be noted that there has been numerous occasions when children have run in front of trucks coming into or exiting Gulliver's service entrance on Campamento. Additionally, neighbors on Campamento have observed Gulliver's delivery trucks using their driveways or front yards to turn around.</li> <li>Additionally, Gulliver's delivery trucks, teachers and students use on a daily basis the Gables by the Sea Lugo entrance and guards paid by a special assessment tax levied exclusively on the homeowners of Gables by the Sea. Again, Gulliver is a user and beneficiary of these facilities and services but not a contributor.</li> <li>While the homeowners of Gables by the Sea invest thousands of dollars and countless hours every year to beautify, clean and improve our community, homeowners have to look at Gulliver's chain link fence, poor landscaping and garbage. Gulliver's Service entrance on Campamento right across a City of Coral Gables Public Park, consist of chain link and green tarp. Gulliver's hedge along Cartagena and Bernal is in many parts very thin and generally not well kept. Garbage from cars, students and trucks entering through Lugo to Cartagena is often visible on the side of the road. It must be noted that during the past forty years that Gulliver has owned the land and facilities located at 12595 Red Road, no substantial efforts or investment has been made on behalf of Gulliver to beautify and upgrade the areas bordering the adjacent neighborhoods and frontage to historic Old Cutler Road. This lack of interest and pride in keeping our community and bordering areas beautiful and well maintained speaks loud and clear about Gulliver's disregard for our community and the "City Beautiful". This is another issue of concern to local residents who do not trust that Gulliver will maintain any proposed new landscaping.</li> </ol> <p>campus. These changes are not only incompatible with the character of the neighborhood and the lifestyle of its residents but it may also result in decreased home values, which may lead to litigation.</p> <ol style="list-style-type: none"> <li>Proposed expansion and changes to the Master Plan will have a negative impact on traffic on historic Old Cutler Road and secondary roads in Gables by the Sea and other adjacent neighborhoods by adding traffic from construction vehicles during the years of construction and in addition, student and spectators cars attending athletic events and other types of activities. A traffic study commissioned and paid by Gulliver shows a traffic level of "C" during school hours. However, drivers on Old Cutler Road offer a very different picture of the situation and report delays of 20 minutes or more in front of Gulliver. Gulliver's police officers continuously stop traffic on Cutler Road to allow parents to come-in and out of Gulliver. The situation is aggravated by parents parking alongside Gulliver Road to drop off kids or to walk them to school -- Old Cutler does not have sidewalks or parking spaces so cars and students share the street -- making the Old Cutler Road section in front of Gulliver's Academy a long and potentially risky drive.</li> <li>Proposed expansion and changes to the Master Plan will create hardship to immediate neighbors that will have to contend with higher levels of noise generated by school events including athletic events and related traffic. As it is right now, neighbors struggle to deal with loud music, play announcements and other noises generated during practices and games. Sometimes neighbors hear and see kids practicing on Sundays. It should be noted that a number of special needs children and elderly residents live in close proximity to the Gulliver campus and that any increase in noise will have a detrimental effect on their health and development.</li> <li>There is no business model that can be used to justify a multi-dollar investment to double the size of school facilities without having a revenue plan in place. Gulliver's tuition fees are one of the highest, if not the highest, in the Miami-Dade County area -- meaning unlikely that any new revenues will come from substantial increases in their tuition fees because doing so will price Gulliver out of the market. The most likely scenario is that Gulliver will seek to increase the following: a. enrollment; b. revenue-generating on campus activities; c. leasing the new facilities to 3rd party users; d. Ticket sales; e. corporate sponsors who will seek and demand high levels of attendance in exchange for their corporate dollars. Gulliver has not shared this revenue plan with neighbors of the City of Coral Gables but all these scenarios will undoubtedly lead to more people, more events, more cars, more traffic, more noise, more litigation, etc.</li> <li>Proposed expansion and changes to the current Master Plan will lead to additional requests for changes in the future. For example, Gulliver has currently no lighting for the baseball fields but once the new baseball facilities are built, Gulliver will likely request a change to include lighting, extended hours of use etc. The never-ending request for changes is something that neighbors have been dealing with for the past forty years and that they naively believed that they have put to rest when the 1998 agreement was negotiated.</li> <li>Proposed expansion and changes to the Master Plan does not contribute any new revenues to the City of Coral Gables given the non-profit status of Gulliver. However, any reduction in home values will have a negative impact on</li> </ol>

56.	06 06 10	Christina M. Acosta acostajulio@bellsouth.net		X	To Whom It May Concern: As a parent of a Gulliver student and as a resident of Pinecrest, Fl. I support the Gulliver remodeling project. At a time when many schools are failing our children, Gulliver has a long respected record of successfully educating children in many different areas. As a community we need to support their efforts and work together to make sure we arrive at the best outcome for all. I have read the Master Plan and understand there is no intent to raise the number of students attending this campus. Please know many parents in this community depend on quality institutions such as Gulliver Academy, Gulliver Prep, Epiphany, St. Thomas Episcopal and Beth Am. Many of these other institutions have already updated their facilities to offer their students a better education.  Thank you for your consideration on this matter. I trust you will see how important it is to allow and encourage educational institutions to expand their educational resources.  Christine M. Acosta

65.	06 02 10	Pinecrest and Gables Neighbors	X		<div style="text-align: right; font-size: small; margin-bottom: 10px;">   CITY OF CORAL GABLES            List of Objections Raised by Pinecrest and Gables Neighbors            JUN -2 PM 4:08         </div> <p>1. Proposed expansion and changes to the Master Plan represent a substantial change in size, scope, architecture and use to the Gulliver's Academy Master Plan which represented the "final build-out scenario" envisioned and agreed upon by representatives of Gulliver Schools, the City of Coral Gables and the Gables by the Sea Homeowners and approved by the City of Coral Gables Commission, September 23, 1998.</p> <p>Gulliver's proposed changes to the Master Plan include doubling of the pre-approved Master Plan size as well as a substantial increase of building height including -- an obtrusive structure equivalent to a four story high building which will become a out-of-scale intrusion of regional scope and character of the adjacent residential communities. Additionally, the proposed changes which include a Press and Recruiters Box are not in line with the facilities needed and used by K-8 middle school students -- the proposed changes are more in line with the needs and use of High School students and most definitely will lead to an increase in High School athletic activities on the grounds of Gulliver's Academy.</p> <p>2. It must be noted that Gables by the Sea homeowners negotiated this agreement in good faith and under the understanding that the agreed upon and approved Master Plan represented the final "build-out scenario" for Gulliver Academy -- as stated on the ordinance -- and that only minor changes may be requested and approved in the future. Current Gables by the Sea residents that participated in the negotiations with Gulliver back in 1998 were appalled to learn that Gulliver is breaking the agreement and forcing the City and neighbors to spend valuable time and resources revisiting this issue.</p> <p>3. It is publicly known that it has always been the goal of Gulliver to operate a High School on the grounds of what today is the Gulliver Academy and if the proposed expansion and changes to the Master Plan are approved, the City will be in fact paving the way for Gulliver to not only continue to bring more High School athletic</p> <p style="text-align: right;">1</p> <p>neighborhoods by adding traffic from construction vehicles during the years of construction and in addition, student and spectators cars attending athletic events and other types of activities. A traffic study commissioned and paid for by Gulliver shows a traffic level of "C" during school hours. However, drivers on Old Cutler Road offer a very different picture of the situation and report delays of 20 minutes or more in front of Gulliver. Gulliver's police officers continuously stop traffic on Cutler Road to allow parents to come-in and out of Gulliver. The situation is aggravated by parents parking alongside Cutler Road to drop off kids or to walk them to school -- Old Cutler does not have sidewalks or parking spaces so cars and students share the street -- making the Old Cutler Road section in front of Gulliver's Academy a long and potentially risky drive.</p> <p>7. Proposed expansion and changes to the Master Plan will create hardship to immediate neighbors that will have to contend with higher levels of noise generated by school events including athletic events and related traffic. As it is right now, neighbors struggle to deal with loud music, play announcements and other noises generated during practices and games. Sometimes neighbors hear and see kids practicing on Sundays. It should be noted that a number of special needs children and elderly residents live in close proximity to the Gulliver campus and that any increase in noise will have a detrimental effect on their health and development.</p> <p>8. There is no business model that can be used to justify a multi-dollar investment to double the size of school facilities without having a revenue plan in place. Gulliver's tuition fees are one of the highest, if not the highest, in the Miami-Dade County area -- making it unlikely that any new revenues will come from substantial increases in their tuition fees because doing so will price Gulliver out of the market. The most likely scenario is that Gulliver will seek to increase the following: a. enrollment, b. revenue-generating on campus activities, c. leasing the new facilities to 3<sup>rd</sup> party users, d. Ticket sales, e. corporate sponsors who will seek and demand high levels of attendance in exchange for their corporate dollars. Gulliver has not shared this revenue plan with neighbors or the City of Coral Gables but all these</p> <p>scenarios will undoubtedly lead to more people, more events, more cars, more traffic, more noise, more litigation, etc.</p> <p>9. Proposed expansion and changes to the current Master Plan will lead to additional requests for changes in the future. For example, Gulliver has currently no lighting for the baseball fields but once the new baseball facilities are built, Gulliver will likely request a change to include lighting, extended hours of use etc. The never-ending request for changes is something that neighbors have been dealing with for the past forty years and that they naively believed that they have put to rest when the 1998 agreement was negotiated.</p> <p>10. Proposed expansion and changes to the Master Plan does not contribute any new revenues to the City of Coral Gables given the non-profit status of Gulliver. However, any reduction in home values will have a <b>negative impact on tax revenues</b>.</p> <p>11. Proposed expansion and changes to the Master Plan will create a need for additional services to be provided to Gulliver by the City of Coral Gables at an <b>additional cost to tax paying residents</b>. Gulliver is a user of infrastructure and services but not a contributor.</p> <p>12. <b>Gulliver's service entrance on Cartagena represents a public safety hazard.</b> The service entrance is right across from a public park where children play. The service entrance is on a narrow street with no sidewalks and no turning space. Every day, children share the street with cars and large trucks (as large as an 18 wheeler) -- Trucks have a very difficult time handling the turn and as a result block the street for long periods of time. It should be noted that there has been numerous occasions when children have run in front of trucks coming into or exiting Gulliver's service entrance on Campamento. Additionally, neighbors on Campamento have observed Gulliver's delivery trucks using their driveways or front yards to turn around. <b>(Exhibit II)</b>.</p> <p>13. Additionally, Gulliver's delivery trucks, teachers and students use on a daily basis the Gables by the Sea Lugo entrance and guards paid by a special assessment tax levied exclusively on the</p> <p style="text-align: right;">2</p> <p>activities to this campus but also to switch campuses and bring the High School to the site of the Gulliver Academy in the future.</p> <p>4. It must be noted, that the grounds and facilities of <b>Gulliver Academy is already being used by High School students</b> for High school athletic activities -- Gulliver's high school football team sometime trains at the academy and high school baseball games are played at the academy on a regular basis. It must be noted that these and other High School activities held at the Academy were left out of the list of activities submitted by Gulliver as part of their application. <b>(Exhibit I)</b></p> <p>The proposed changes to the Master Plan and new facilities are in effect designed to convert Gulliver's Academy into a <b>regional hub of activities</b> for the entire Gulliver School System -- Gulliver has no room for expansion at the other four campuses -- for example, Gulliver Prep (high school) does not have an auditorium to hold High School events. The proposed expansion and changes to the Master Plan are being done at the expense of the quality of life and home values of the adjacent communities and in violation of the agreement made between the Gables by the Sea homeowners, Gulliver Schools and the City of Coral Gables. Furthermore, this also represents a violation of the intent of the ordinance passed by the City of Coral Gables allowing Gulliver to <b>operate only a grade school</b> at the Academy site located at 12595 Red Road facility.</p> <p>5. Homeowners who purchased properties in the surrounding area did so because of the limitations imposed on Gulliver by the City of Coral Gables' ordinance and approved Gulliver's Academy Master Plan. Approval of the new proposed changes to the Master Plan will substantially change the size, character and use of the campus. These changes are not only incompatible with the character of the neighborhood and the lifestyle of its residents but it may also result in <b>decreased home values</b>, which may lead to litigation.</p> <p>6. Proposed expansion and changes to the Master Plan will have a <b>negative impact on traffic</b> on historic Old Cutler Road and secondary roads in Gables by the Sea and other adjacent</p> <p style="text-align: right;">3</p> <p style="text-align: right;">4</p>

					<p>homeowners of Gables by the Sea. Again, Gulliver is a user and beneficiary of these facilities and services but not a contributor.</p> <p>14. While the homeowners of Gables by the Sea invest thousands of dollars and countless hours every year to beautify, clean and improve our community, homeowners have to look at Gulliver's chain link fence, poor landscaping and garbage. Gulliver's Service entrance on Campamento right across a City of Coral Gables Public Park, consist of chain link and green tarp. Gulliver's hedge along Cartagena and Bernal is in many parts very thin and generally not well kept. Garbage from cars, students and trucks entering through Lago to Cartagena is often visible on the side of the road. It must be noted that during the past forty years that Gulliver has owned the land and facilities located at 12595 Red Road, <b>no substantial efforts or investment</b> has been made on behalf of Gulliver to beautify and upgrade the areas bordering the adjacent neighborhoods and frontage to historic Old Cutler Road. This lack of interest and pride in keeping our community and bordering areas beautiful and well maintained speaks loud and clear about Gulliver's disregard for our community and the "City Beautiful." This is another issue of concern to local residents who do not trust that Gulliver will maintain any proposed new landscaping. <b>(Exhibit II)</b></p> <p style="text-align: right;">5</p> <p>3/31/10 12:00 PM vs. Grandview (Aurora, CO) ** (Bishop Gorman) 16-3 (W)  4/01/10 8:00 PM @ Arbor View (Las Vegas, NV) ** (Goman Easter Classic) 15-16 (L)  4/03/10 TBA @ Boca Raton (Boca Raton, FL) (TBA) 14-6 (W)  4/03/10 TBA @ Lone Peak (Highland, UT) (TBA) 15-9 (W)  4/07/10 4:30 PM vs. Coral Shores (Tavernier, FL) * (Gulliver Academy) 12-1 (W)  4/09/10 TBA vs. Orangethicket Christian (Maitland, FL) (Gulliver Academy) 9-5 (W)  4/13/10 7:00 PM @ Florida Christian (Miami, FL) 3-10 (L)  4/15/10 TBA vs. Doral Academy (Doral, FL) (Gulliver Academy) 11-10 (W)  4/17/10 2:00 PM vs. Palm Beach Gardens (Palm Beach Gardens, FL) (Gulliver Academy) 2-4 (L)  4/20/10 4:30 PM vs. Mater Academy Charter (Hialeah Gardens, FL) (Westland Garden Park) (TBA) 4-3 (W)  4/21/10 TBA @ Mater Academy Charter (Hialeah Gardens, FL) (TBA) 4-3 (W)  4/26/10 TBA vs. TBA * (Districts)  4/28/10 TBA @ Archbishop Carroll (Miami, FL) *** (TBA) 7-0 (W)  4/30/10 TBA @ St. Brendan (Miami, FL) *** (TBA) 12-1 (W)  5/04/10 3:30 PM vs. Chaminade-Madonna (Hollywood, FL) * (2010 FHSAA Baseball Championship Brackets) 6-4 (W)  5/07/10 7:00 PM @ Monsignor Pace (Miami, FL) * (2010 FHSAA Baseball Championship Brackets) 13-12 (W)  5/13/10 5:30 PM vs. American Heritage (Plantation, FL) * (2010 FHSAA Baseball Championship Brackets) 6-4 (W)  5/19/10 TBA vs. Cocoa (Cocoa, FL) *** (2010 FHSAA Baseball Championship Brackets) 2-0 (W)  5/20/10 7:00 PM @ Bolles (Jacksonville, FL) *** (2010 FHSAA Baseball Championship Brackets) 3-4 (L)  * Conference Game ** Tournament Game *** Playoff Game F=Forfeit</p> <p>EXHIBIT I – High School Baseball Games Played at Gulliver's Academy (K-school)</p> <p>AMERICA'S SOURCE FOR HIGH SCHOOL SPORTS</p> <p><b>Gulliver Prep Raiders Baseball Team Information:</b></p> <p>Coach: Javy Rodriguez  Colors: Royal Blue, White  League: 3A District 16  State: Florida  Division: Division 3A</p> <p>25-6-00.806 274 138</p> <p>9-1-0 3-1-0 13-4-0 10-0-0</p> <p>Rankings:  61 9</p> <p>Da Op  09/10 TBA @ Chaminade-Madonna (Hollywood, FL) (TBA) 4-1 (W)  2/18/10 8:00 PM vs. Key West (Key West, FL) ** (Bash on the Beach Tournament) 4-2 (W)  2/19/10 11:00 AM vs. Braddock (Miami, FL) ** (Bash on the Beach Tournament) 17-6 (W)  2/20/10 10:30 AM vs. Chaminade-Madonna (Hollywood, FL) ** (Bash on the Beach Tournament) 10-9 (W)  2/24/10 3:45 PM vs. Ransom Everglades (Miami, FL) * 10-0 (W)  2/28/10 6:00 PM @ Coral Shores (Tavernier, FL) * 11-4 (W)  2/27/10 TBA @ Ransom Everglades (Miami, FL) * (TBA) 10-0 (W)  3/01/10 7:00 PM @ American Heritage (Plantation, FL) (U of M) 2-5 (L)  3/03/10 TBA vs. Westminster Christian (Miami, FL) (U of M) 2-4 (L)  3/05/10 3:30 PM vs. Archbishop Carroll (Miami, FL) * 7-5 (W)  3/09/10 7:00 PM vs. Belen Jesuit (Miami, FL) 9-8 (W)  3/10/10 4:30 PM vs. St. Brendan (Miami, FL) * (Gulliver Academy) 13-9 (W)  3/12/10 4:00 PM @ Ransom Everglades (Miami, FL) * 17-2 (W)  3/23/10 7:00 PM vs. Florida Christian (Miami, FL) (U of M) 10-0 (W)</p> <p style="text-align: right;">6</p> <p>EXHIBIT II – Traffic on Campamento – 18-wheeler trucks have a very difficult time entering the service entrance and usually block the street for long periods of time causing delays.</p>  <p style="text-align: right;">7</p>

75.	05 28 10	Ronne and Steven Melnick 12777 Old Cutler Road Coral Gables, FL 33156	X		We were assured that there would be no new classrooms. This would potentially lead to an increased student census which we find unacceptable.
76.	05 27 10	Louise McAlpin 12765 SW 57 Ave Coral Gables, FL	X		The expansion is in direct conflict and it will negatively impact the quality of life and enjoyment of our community. It will increase noise in our area over 10 years as well as increase traffic (ineligible) construction vehicles. No taxable value to the City of Coral Gables.
77.	05 26 10	The Pinecrest and Gables by the Sea HOA Board Sent by Carlos Santeiro	X		<p><b>From:</b> Gable by the Sea HOA Board [mailto:gbts_hoa@yahoo.com]  <b>Sent:</b> Wednesday, May 26, 2010 12:17 AM  <b>To:</b> Riel, Eric  <b>Subject:</b> Gulliver's expansion and changes to the master plan</p> <p>Dear Eric,</p> <p>I share with you below a list of objections raised by our residents regarding Gulliver's proposed changes to the master plan. An additional concern raised by the residents is the timing of the Planning and Zoning hearing currently scheduled for 6/9/10. Many of the residents will not be able to attend because of previously scheduled family vacation plans. Given the great importance of this issue to our residents, we are respectfully requesting that these meetings not be held during the summer months and be deferred until the Fall when families are not on vacation. At your earliest convenience, we would like to meet with you to discuss these issues further. Please feel free to contact me at 305-962-3200.</p> <p>Sincerely,</p> <p>Carlos Santeiro Sent from</p> <p>The Pinecrest and Gables by the Sea HOA Board  <a href="http://www.gablesbythesea.org">www.gablesbythesea.org</a>  <a href="http://www.pinecrestbythesea.org">www.pinecrestbythesea.org</a></p> <p>Gulliver's Proposed Expansion and Changes to Master Plan List of Objections Raised by Neighbors</p>

**July 8, 2010**  
**City of Coral Gables - Planning Department**  
**Letters Received from Property Owners**  
**Gulliver Academy Expansion**

	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
cont.					<p>1. Proposed expansion and changes to the Master Plan represent a substantial change in size, scope, architecture and use to the Gulliver's Academy Master Plan which represented the "final build-out scenario" envisioned and agreed upon by representatives of Gulliver Schools, the City of Coral Gables and the Gables by the Sea Homeowners and approved by the City of Coral Gables Commission, September 23, 1998.</p> <p>Gulliver's proposed changes to the Master Plan include doubling of the pre-approved Master Plan size as well as a substantial increase of building height including -- an obtrusive structure equivalent to a four story high building which will become a out-of-scale intrusion of regional scope and character of the adjacent residential communities. Additionally, the proposed changes which include a Press and Recruiters Box are not in line with the facilities needed and used by K-8 middle school students – the proposed changes are more in line with the needs and use of High School students and most definitely will lead to an increase in High School athletic activities on the grounds of Gulliver's Academy.</p> <p>2. It must be noted that Gables by the Sea homeowners negotiated this agreement in good faith and under the understanding that the agreed upon and approved Master Plan represented the final "build-out scenario" for Gulliver Academy – as stated on the ordinance -- and that only minor changes may be requested and approved in the future. Current Gables by the Sea residents that participated in the negotiations with Gulliver back in 1998 were appalled to learn that Gulliver is breaking the agreement and forcing the City and neighbors to spend valuable time and resources revisiting this issue.</p> <p>3. It is publicly known that it has always been the goal of Gulliver to operate a High School on the grounds of what today is the Gulliver Academy and if the proposed expansion and changes to the Master Plan are approved, the City will be in fact paving the way for Gulliver to not only continue to bring more High School athletic activities to this campus but also to switch campuses and bring the High School to the site of the Gulliver Academy in the future.</p> <p>4. It must be noted, that the grounds and facilities of Gulliver Academy is already being used by High School students for High school athletic activities – Gulliver's high school football team sometime trains at the academy and high school baseball games are played at the academy on a regular basis. It must be noted that these and other High School activities held at the Academy were left out of the list of activities submitted by Gulliver as part of their application. (Exhibit I)</p> <p>The proposed changes to the Master Plan and new facilities are in effect designed to convert Gulliver's Academy into a regional hub of activities for the entire Gulliver School System – Gulliver has no room for expansion at the other four campuses – for example, Gulliver Prep (high school) does not have an auditorium to hold High School events. The proposed expansion and changes to the Master Plan are being done at the expense of the quality of life and home values of the adjacent communities and in violation of the agreement made between the Gables by the Sea homeowners, Gulliver Schools and the City of Coral Gables. Furthermore, this also represents a violation of the intent of the ordinance passed by the City of Coral Gables allowing Gulliver to operate only a grade school at the Academy site located at 12595 Red Road facility.</p>

**July 8, 2010**  
**City of Coral Gables - Planning Department**  
**Letters Received from Property Owners**

	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
cont.					<p>5. Homeowners who purchased properties in the surrounding area did so because of the limitations imposed on Gulliver by the City of Coral Gables' ordinance and approved Gulliver's Academy Master Plan. Approval of the new proposed changes to the Master Plan will substantially change the size, character and use of the campus. These changes are not only incompatible with the character of the neighborhood and the lifestyle of its residents but it may also result in decreased home values, which may lead to litigation.</p> <p>6. Proposed expansion and changes to the Master Plan will have a negative impact on traffic on historic Old Cutler Road and secondary roads in Gables by the Sea and other adjacent neighborhoods by adding traffic from construction vehicles during the years of construction and in addition, student and spectators cars attending athletic events and other types of activities. A traffic study commissioned and paid by Gulliver shows a traffic level of "C" during school hours. However, drivers on Old Cutler Road offer a very different picture of the situation and report delays of 20 minutes or more in front of Gulliver. Gulliver's police officers continuously stop traffic on Cutler Road to allow parents to come-in and out of Gulliver. The situation is aggravated by parents parking alongside Cutler Road to drop off kids or to walk them to school – Old Cutler does not have sidewalks or parking spaces so cars and students share the street -- making the Old Cutler Road section in front of Gulliver's Academy a long and potentially risky drive.</p> <p>7. Proposed expansion and changes to the Master Plan will create hardship to immediate neighbors that will have to contend with higher levels of noise generated by school events including athletic events and related traffic. As it is right now, neighbors struggle to deal with loud music, play announcements and other noises generated during practices and games. Sometimes neighbors hear and see kids practicing on Sundays. It should be noted that a number of special needs children and elderly residents live in close proximity to the Gulliver campus and that any increase in noise will have a detrimental effect on their health and development.</p> <p>8. There is no business model that can be used to justify a multi-dollar investment to double the size of school facilities without having a revenue plan in place. Gulliver's tuition fees are one of the highest, if not the highest, in the Miami-Dade County area – making it unlikely that any new revenues will come from substantial increases in their tuition fees because doing so will price Gulliver out of the market. The most likely scenario is that Gulliver will seek to increase the following: a. enrollment; b. revenue-generating on campus activities; c. leasing the new facilities to 3rd party users; d. Ticket sales; e. corporate sponsors who will seek and demand high levels of attendance in exchange for their corporate dollars. Gulliver has not shared this revenue plan with neighbors or the City of Coral Gables but all these scenarios will undoubtedly lead to more people, more events, more cars, more traffic, more noise, more litigation, etc.</p> <p>9. Proposed expansion and changes to the current Master Plan will lead to additional requests for changes in the future. For example, Gulliver has currently no lighting for the baseball fields but once the new baseball facilities are built, Gulliver will likely request a change to include lighting, extended hours of use etc. The never-ending request for changes is something that neighbors have been dealing with for the past forty years and that they naively believed that they have put to rest when the 1998 agreement was negotiated.</p>

**July 8, 2010**  
**City of Coral Gables - Planning Department**  
**Letters Received from Property Owners**  
**Gulliver Academy Expansion**

	Date Received	Name and Address	Object	No Objection	Comments (Verbatim)
cont.					<p>10. Proposed expansion and changes to the Master Plan does not contribute any new revenues to the City of Coral Gables given the non-profit status of Gulliver. However, any reduction in home values will have a negative impact on tax revenues.</p> <p>11. Proposed expansion and changes to the Master Plan will create a need for additional services to be provided to Gulliver by the City of Coral Gables at an additional cost to tax paying residents. Gulliver is a user of infrastructure and services but not a contributor.</p> <p>12. Gulliver's service entrance on Cartagena represents a public safety hazard. The service entrance is right across from a public park where children play. The service entrance is on a narrow street with no sidewalks and no turning space. Every day, children share the street with cars and large trucks (as large as an 18 wheeler) – Trucks have a very difficult time handling the turn and as a result block the street for long periods of time. It should be noted that there has been numerous occasions when children have run in front of trucks coming into or exiting Gulliver's service entrance on Campamento. Additionally, neighbors on Campamento have observed Gulliver's delivery trucks using their driveways or front yards to turn around. (Exhibit II).</p> <p>13. Additionally, Gulliver's delivery trucks, teachers and students use on a daily basis the Gables by the Sea Lugo entrance and guards paid by a special assessment tax levied exclusively on the homeowners of Gables by the Sea. Again, Gulliver is a user and beneficiary of these facilities and services but not a contributor.</p> <p>14. While the homeowners of Gables by the Sea invest thousands of dollars and countless hours every year to beautify, clean and improve our community, homeowners have to look at Gulliver's chain link fence, poor landscaping and garbage. Gulliver's Service entrance on Campamento right across a City of Coral Gables Public Park, consist of chain link and green tarp. Gulliver's hedge along Cartagena and Bernal is in many parts very thin and generally not well kept. Garbage from cars, students and trucks entering through Lugo to Cartagena is often visible on the side of the road. It must be noted that during the past forty years that Gulliver has owned the land and facilities located at 12595 Red Road, no substantial efforts or investment has been made on behalf of Gulliver to beautify and upgrade the areas bordering the adjacent neighborhoods and frontage to historic Old Cutler Road. This lack of interest and pride in keeping our community and bordering areas beautiful and well maintained speaks loud and clear about Gulliver's disregard for our community and the "City Beautiful." This is another issue of concern to local residents who do not trust that Gulliver will maintain any proposed new landscaping. (Exhibit III)</p>
78.	05 26 10	Rabbi Jim Simon		X	<p>Please excuse my printing – my computer is down and is being repaired. I am writing to support Gulliver application to revise its master plan. In the 7 years that my children have been at Gulliver, I feel the leadership are thoughtful and organized – I feel confident school will fulfill all obligations placed onto them if this is approved &amp; I believe this when they say they will not tax to increase to increase enrollment.</p> <p>Gulliver has been a good neighbor. Their school is excellent &amp; enjoys a national reputation, which is good for Coral Gables as well. I strong urge you to approve their application. Thanks,  Rabbi Jim Simon</p>

89.	05 26 10	Stanley Hilton and Guadalupe G. Pinder 12501 Ramiro St. Coral Gables, Fl 33156	X		GulliverAcademy has exhibited absolutely no concern for the Gables by the Sea Residence. Evidence by the flagrant misuse of the Campamento St. Gate entrance. To allow what they are now asking would exacerbate this misuse and more. Allowing the revisiting of the Master Plan is only just another revisiti to lead to another revisit to lead to another revisit and so on. What should happen for you to <u>Protect</u> our community is to close the Campamento Gate and cap in perpetuity the enrolment. This would be a start in the right direction moving towards Gulliver improving the traffic control on Old Cutler Road.

My name is Eric Littman and I live at 6050 Rolling Road Drive, Pinecrest, FL, 33156 with my wife and son. The proposed plan revision by Gulliver will have a very negative impact on the traffic patterns throughout Pinecrest. I also believe that it is a prelude for Gulliver switching its High School to the Academy property and relocating the Middle School to its property on Kendall Drive.</p> <p>Even if Gulliver does not do that, we are strongly opposed to the revisions because of the increased traffic problems it will cause. With these revisions, traffic on Old Cutler Road and feeder streets in Pinecrest will certainly increase and become more congested. Since my neighborhood is adjacent to the section of Old Cutler which is across from the Academy, this means that traffic in our peaceful residential neighborhood will increase to levels not consistent with our neighborhood. That is something we are definitely opposed to and raises a major concern. And while I realize that other factors lead to increased traffic, this is an artificial one which is not necessary.</p> <p>In conclusion, for the reasons above, my family is OPPOSED to the Gulliver Schools' Application to revise its master</p> <p style="text-align: right;">Very truly yours,  Eric P. Littman</p>

106		GBTS-PBTS JOINT HOA BOARD OF DIRECTORS	X		<p style="text-align: center;">APPROVED RESOLUTION ON GULLIVER EXPANSION BY THE GBTS-PBTS JOINT HOA BOARD OF DIRECTORS</p> <p>"The GBTS-PBTS HOA Board has decided, after careful deliberations and analysis, that the significant Master Plan expansion at Gulliver school is in direct conflict and will negatively impact the quality of life and enjoyment of our residents.</p> <p>Gulliver Schools is asking for a 400 percent increase in the pre-approved master plan of Gulliver K to 8 facility including an obtrusive 5 story high building which will become a out-of-scale intrusion of regional scope beyond any basic needs of this facility's needs and will in fact become a regional hub of activities for the entire Gulliver School System at the expense of anyone who uses the highly congested traffic corridors of SW 57th Ave (Red Road) and Old Cutler Road during peak hours of commuters usage. The resulting additional traffic congestion will exacerbate a level of service already graded "F" or below and increase travel times to a full weekly and after hours impact with the various uses that will take place after school hours, during special events and weekends.</p> <p>May it be said that the City of Coral Gables has a vested duty to protect and prevent deteriorating circumstances to its residents and taxpayers; especially those in the communities of Deering Bay, Gables By the Sea and Pine Bay Estates whose combined annual real estate tax contributions to the City of Coral Gables easily exceeds \$10,000,000.00 (Ten Million Dollars) while Gulliver School's contribution to the City of Coral Gables is zero due to its institutional exemptions.</p> <p>It's also our understanding that the Village of Pinecrest; which will be heavily impacted by this additional 100,000 square feet of new edifices, has not been informed and wants to participate in what essentially is a development of regional impact transcending the boundaries of the City of Coral Gables.</p> <p>Being that the road networks are historic and that Gulliver has not tendered a traffic congestion/relief plan for road improvements the traffic problems of this nature will then be assumed by the City of Coral Gables with no definable benefits to its residents whatsoever. Further, the City of Coral Gables may be called a greater number of times to render Fire and Police services that may or may not be paid for by Gulliver and thus add to the strain on City services, wear and tear, tying up of assets and expenses with no definable benefits to its residents whatsoever.</p> <p>Thus, on behalf of our entire communities and even those beyond the boundaries of the City of Coral Gables; the GBTS-PBTS HOA Board has unanimously adopted this resolution in opposition of this highly adverse regional expansion of Gulliver and has named a two person committee to contact all elected officials and City Managers to urge that our citizens rights be protected and upheld by negating and opposing this application that is without merit and detrimental to us all."</p>

RE: Gulliver Academy – Zoning  
Application No.: 09-09-092-P  
Our File No. 05L-263

Dear Messrs Salerno, Foeman, Riel, and Ms. Hernandez:

I represent Gulliver Schools. I am pleased to enclose letters of support from the community for Gulliver Academy's Master plan revision. Please place these letters in the public records.

If I may be of any assistance, please do not hesitate to call.

Sincerely,

Laura L. Russo

RE: LETTER OF SUPPORT OF GULLIVER ACADEMY  
Master Plan Revision Application  
Application No.: 09-09-092-P

Dear City of Coral Gables:

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is Kathy Fitzgerald Bruner and I  
live at 8994 SW 212 Lane Coral Gables, FL 33187

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

Kathy Bruner

Dear City of Coral Gables:

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is Joy A. Hermanowksi-Smith and I  
live at 14625 Sailfish Dr. C.G.

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

May 2010

Application No.: 09-09-092-P

Dear City of Coral Gables:

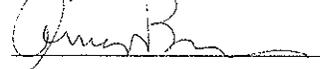

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is Megan Andrews and I

live at 110 Buttonwood Dr. Key Biscayne, Fl. 33149

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

Megan Andrews

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is Biana Luckler and I

live at 14441 Snapper Dr Coral Gables FL, 33158

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

Biana Luckler

Re: Letter of Support of Gulliver Academy  
Master Plan Revision Application  
Application # 09-09-092-P

Dear Sir or Madam:

I write to you in support for the Gulliver Academy application to revise its master plan for the Academy Campus located at 12595 Red Road, Coral Gables.

My name is Cynthia S. Blanck and I live at 6400 SW 123 Ter, Miami, Fl 33156

This school has been a wonderful asset to our community for many, many years. The improvements that they seek will allow them to greatly enhance their campus without changing the character of their neighborhood.

I strongly urge you to vote favorably for their request for a revision to their Master Plan.

Cordially,

  
Cynthia S. Blanck

Re: Recommendation for approval of Gulliver Academy's  
Master Plan Revision Application No. 09-09-092P

Dear Gentlemen and Ladies:

I am writing you today to express my strong support for Gulliver Schools application to revise its master plan for its Academy Campus located at 12595 Red Road.

I am a native of Coral Gables for over 59 years and I live at 1510 Trillo Avenue, Coral Gables, Florida.

Gulliver is a fine institution and an asset to the City of Coral Gables. Gulliver has always been a thoughtful neighborhood partner. The master plan as proposed is in the best interests of the City of Coral Gables and the community. The worthwhile improvements to the site will maintain the character and integrity of the surrounding area without detriment and allow Gulliver to continue to provide a quality educational environment.

I strongly recommend and urge you to approve Gulliver's Master Plan.

Sincerely,

  
Jordan Perimutter

RE: LETTER OF SUPPORT OF GULLIVER ACADEMY  
Master Plan Revision Application  
Application No.: 09-09-092-P

Dear City of Coral Gables:

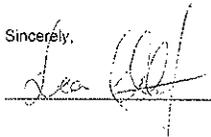

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is ALEXANDRA BARROSO and I

live at 5510 ORDUNA DRIVE, CORAL GABLES

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

Alexandra Barroso

Application No.: 09-09-092-P

Dear City of Coral Gables:

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is Deborah Moore and I

live at 7500 SW 59 Ave #03 Miami, FL 33143.

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

May 2010

Application No.: 09-09-092-P

Dear City of Coral Gables:

I write to express my strong support for Gulliver Schools' application to revise its master plan for its Academy Campus located at 12595 Red Road, Coral Gables.

My name is Anderson Harvey and I  
live at 11225 SW 60 CT, Miami, FL 33156

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

May 2010

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

Toni Schragar

Gulliver Academy is an enormous asset to the City of Coral Gables. The master plan as proposed is in the best interests of the City of Coral Gables and overall community, and it will provide worthwhile improvements to the site while maintaining the character and integrity of the surrounding area without detriment.

I strongly urge you to recommend approval of Gulliver's Master Plan Revision Application so it may continue to provide the quality educational environment and facilities that Coral Gables and the area deserve.

Sincerely,

Please help us!
