Article 8. Definitions

Cultural institution is one that engages in the performing arts, visual arts, promotion of arts and historic preservation (including but not limited to music, dance, theater, art cinema, art, painting, sculpture, photography, history, etc.) or engages in cultural activities and serves the general public and has a permanent presence in the City. The institution shall be designated by the Internal Revenue Service as tax exempt pursuant to Section 501(c)(3) and (4) of the Internal Revenue Code.

Sign, building façade calculation means the portion of the surface area of a building that is viewable from the street and/or adjacent property, excluding sloped roof areas. Facilities that occupy only a portion of a building shall only utilize the portion of the front building façade that faces onto a public street to calculate the amount of allowable sign(s) permitted on the building façade. See illustrations below:

Sign, signature event is a sign placed on a “City-owned” museum, theater or one screen cinema providing for the opportunity to promote community based activities, events, exhibits, and shows.

Sign, temporary exhibition means sign(s) identifying items in temporary exhibitions.
